CIRCULATION NOTE.

SUBJECT:- Proposal to grant a Fixed Travelling Allowance of Rs.50/- per mensem to the Inspector of Schools, Civil Station, Bangalore, with effect from the 25th November 1948.

The Director of Public Instruction has requested sanction to the payment of a Duty Allowance of Rs.100/- p.m. and a conveyance allowance of Rs.75/- p.m. to Sri T.N.Krishna Rao, Inspector of Schools, Civil Station, Bangalore, with effect from the 25th November 1948, the date on which he took charge as Inspector of Schools, Civil Station, Bangalore.

Immediately after the retrocession of the Civil Station, Sri S. Sundara was appointed Inspector of Schools, Civil Station, Bangalore, and was given a Duty Allowance of Rs.100/- per month and a conveyance allowance of Rs.75/- p.m. The Director of Public Instructions stated that with the transfer of Sri Sundara from the Civil Station and the posting of Sri T.N.Krishna Rao to the charge of Inspector of Schools, there is no diminution of responsibility or change in the nature and amount of work done by the present Inspector of Schools and that he is expected to maintain a sufficiently high status as he has to be in charge of Indian as well as European and Anglo-Indian Schools in the Civil Station. In the circumstances, he recommends that Sri T.N.Krishna Rao may be permitted to draw the Duty Allowance and Conveyance Allowance of Rs.100/- and Rs.75/- per month, respectively, and the Dearness allowance admissible in the Civil Station, which his predecessor Sri Sundara was permitted to draw.

The allowances drawn by the various officers posted from the State Service to the charges in the Civil Station are under review and the matter is before Council for consideration at a Meeting of the Council. Meanwhile the officers posted to the Civil Station immediately after retrocession are continuing to draw the allowances sanctioned at the time of their posting while officers subsequently posted to the Civil Station to fill up vacancies arising out of transfers have not been allowed to draw the allowances except by special sanction as the allowances are not treated as attached to the posts.

The Financial Secretary has made the following remarks on the proposal:-

"I have already noted on many files that after the retrocession, the grade, quantum and nature of allowances and other easements should be for the officers of the Civil Station what they are for their opposite numbers in the City. I have also noted that the City Officers generally (like D.O., D.S.P.) have more work than their counterparts in the Civil Station but get less in the way of allowances and easements. I have urged that there should, in these respects, be no distinction between the City and Civil Station Officers and that if anything a less generous treatment of the officers in the Civil Station is perfectly justifiable on account of the smaller area of jurisdiction and consequently of less work.

The utmost therefore that the Inspector may get is a F.T.A. of Rs.50/-. Payment of anything more as allowance is financially unacceptable.".

The Minister for Education has ordered that the Inspector of Schools, Civil Station, may be given a F.T.A. of Rs.150/- p.m. as agreed to by the Financial Secretary.

As this involves a question of policy, it has been ordered that the matter may be disposed of at a meeting of the Council.

Final Note by the Minister for Education

Subject.— Proposal to grant a Fixed T.A. of Rs.50/- per mensem to the Inspector of Schools, Civil Station, Bangalore, with effect from the 25th November 1948.

The Director of Public Instruction has requested sanction to the payment of a Duty Allowance of Rs.100/- per mensem and a conveyance allowance of Rs.75/- per mensem to Sri T.N.Krishna Rao, Inspector of Schools, Civil Station, Bangalore, with effect from the 25th November 1948, the date on which he took charge as Inspector of Schools, Civil Station, Bangalore.

Immediately after the retrocession of the Civil Station Sri S.Sundara was appointed Inspector of Schools, Civil Station, Bangalore, and was given a Duty Allowance of Rs.100/- per month and a conveyance allowance of Rs.75/- per mensem. The Director of Public Instruction states that with the transfer of Sri Sundara from the Civil Station and the posting of Sri T.N.Krishna Rao to the charge of Inspector of Schools, there is no dimunition of responsibility or change in the nature and amount of work done by the present Inspector of Schools and that he is expected to maintain a sufficiently high status as he has to be in charge of Indian as well as European and Anglo-Indian Schools in the Civil Station. In the circumstances, he recommends that Sri T.N.Krishna Rao may be permitted to draw the Duty Allowance and Conveyance Allowance of Rs.100/- and Rs.75/- per mensem, respectively, and the Dearness Allowance admissible in the Civil Station, which his predecessor Sri Sundara was permitted to draw.

The allowances drawn by the various officers posted from the State Service to the changes in the Civil Station are under review and the matter is before Council. Meanwhile, the officers posted to the Civil Station immediately after retrocession are continuing to draw the allowances sanctioned at the time of their posting while officers subsequently

subsequently posted to the Civil Station to fill up vacancies arising out of transfers have not been allowed to draw the allowances except by special sanction as the allowances are not treated as attached to the posts.

The Financial Secretary has made the following remarks on the proposal:-

Paras 19 & 20 of Office note

> "I have already noted on many files that after the retrocession, the grade, quantum and nature of allowances and other easements should be for the officers of the Civil Station what they are for their opposite numbers in the City. I have also noted that the City Officers generally like Deputy Commissioner, District Superintendent of Police, have more work than their counterparts in the Civil Station but get less in the way of allowances and easements. I have urged that there should, in these respects, be no distinction between the City and Civil Station Officers and that if anything a less generous treatment of the officers in the Civil Station is perfectly justifiable on account of the smaller area of jurisdiction and consequently of less work.
>
> The utmost therefore that the Inspector may get is a Fixed Travelling Allowance of Rs.50/-. Payment of anything more as allowance is financial unacceptable".

When the file was put up to me, I suggested that the Inspector of Schools, Civil Station may be given a F.T.A. of Rs.50/- per mensem as agreed to by the Financial Secretary.

The question of granting a F.T.A. of Rs.50/- per mensem to the Inspector of Schools, Civil Station, Bangalore, with effect from the 25th November 1948 was considered at a meeting of the Council held on the 17th August 1949, when the following resolution was recorded:

Date 21st February 1949.

To

SRI A. C. NIRVANI GOWDA, B.A.,
Secretary to Government,
Education Department, Bangalore.

Sir,

Subject:- Permitting Sri T.N.Krishna Rao, Inspector of Schools, Civil Station, Bangalore, to draw the allowances attached to the post.

.....

Adverting to Government Order No. 2860/C.B.156-48-1 dated 29-10-48 posting Sri T.N. Krishna Rao, District Educational Officer, Hassan as Inspector of Schools, Civil Station, Bangalore, I have the honour to state that Sri Krishna Rao took over charge of the new office on the forenoon of 25th November 1948. A duty allowance of Rs.100/- per month and a conveyance allowance of Rs.75/- per month are attached to the post of the Inspector of Schools, and when Sri S. Sundara was posted as Inspector as per Government Order No. 958/C.B.40-47-15 dated 21-8-1947, the Comptroller was authorised by Government to admit these allowances. In the absence of a similar authorisation and as the recent Government Order No. 3570-71/C.B.217-48-1 dated 25-11-48 sanctioning the revised scales of pay for all employees in the Civil Station does not also specify the pay and allowances of the post of the Inspector, the Audit office can allow Sri T. N. Krishna Rao only the grade pay in the Department, and the State High Price Allowance.

The Government Order dated 25-11-48 referred to above does not also make a mention of the allowances previously attached to certain other appointments, such as the Food Assistant, and Personel Assistant to the Deputy Commissioner, Bangalore District, (Urban) and it is understood from the Deputy Commissioner, that these Officers have been drawing the allowances for which there is need. In the case of the Inspector also the need exists for the continuance of the allowances formerly attached to the post. The Inspector was all along an officer of sufficently high status as he had to be in charge of the Indian as well aw Edropean and Anglo-Indian Schools in the

in the Station whose heads draw high salaries. In addition, he had to conduct several Public Examinations also and declare results, as Chairman of the Board of Examinations. All these functions continue even after retrocession and there has been no deminution of responsibility or ~~change~~ Change in the nature and amount of work As the Officer has to maintain the same status and prestige as before, it is necessary that the extra allowances attached to the appointment should ~~be~~ continue in the interest of efficiency of work. I therefore recommend that Government may be pleased to accord permission to ~~Sri~~ Sri T.N. Krishna Rao, to draw the Duty Allowance and Conveyance Allowance of Rs.100/- and Rs.75/- per month respectively and also the Dearness Allowance admissible in the Civil Station, with effect from 25-11-1948.

Yours faithfully,

CPP/18-2.

Correspondence ending with U. O. Note No. 2568—J1. 48-49, dated 13th November 1948, from the Deputy Commissioner, Bangalore District (Urban) and Liaison Officer, submitting detailed proposals for the absorption of the Government servants of the Civil Station in Mysore Government service as noted below :—

1. The Civil Station staff may be offered the Mysore Government revised scales of pay as sanctioned in Government Order No. Fl. 2010-70—S. & A. 25-47-6, dated 21st September 1947 and subsequent Government Orders taking into account the category of the staff to which they belong and the duties and responsibilities as compared with similar posts in the State.

2. They may be allowed to draw the same rates of dearness allowance as are applicable to other Government servants in the State.

3. For purposes of fixation of initial pay in the revised scales of the Mysore Government, the pay that the staff would get on 1st December 1948, without taking into accout the Central Pay Commission benefits, may be taken as the basis, and the benefit of increments in accordance with Government Order No. Fl. 2682-2741—S. & A. 25-47-20, dated 14th October 1947, according to length of service may be given to them.

4. The pay and prospects of typists and steno-typists may be governed by Government Order No. Fl. 3966-4035—S. & A. 25-47-45, dated 16th January 1948.

5. The conditions regarding service, pay, pension, leave, etc., may be governed by the Mysore Service Regulations and Mysore Civil Account Codes instead of the Fundamental Rules, Revised Leave Rules, Civil Service Regulations and the Civil Account Codes.

(*a*) Officials governed by the Fundamental Rules may be allowed to carry forward leave on average pay corresponding to privilege leave to a maximum extent of three months if they have such leave at their credit, inferior servants being allowed to carry forward only two months' leave.

(*b*) Officials governed by the Revised Leave Rules, 1933, will be allowed to carry forward leave up to a maximum of 90 days or 30 days according as they belong to superior or inferior service, provided the leave is at their credit.

(*c*) Furlough leave may be recalculated at the rates admissible according to Article 204 in the Mysore Service Regulations, *i.e.*, one-sixth or one-eleventh of active service, and whatever leave on average pay or on medical certificate has been taken already may be deducted out of this and the balance of leave allowed to be carried forward.

6. Questions of seniority as between a Government servant in the Civil Station and the corresponding member in the State in a particular department may be decided after taking into consideration the pay drawn, length of service and the date of promotion or confirmation in a particular grade or rank. The seniority of gazetted officers may be decided by Government.

7. The above principles may be made applicable to temporary servants also as long as they remain in service.

8. The scales of pay of clerks being uniform in the several offices in the Station, *i.e.*, upper division clerks getting Rs. 60—4—80 (old), Rs. 55—5/2—70 (new), Rs. 60—2—80 (old), Rs. 55—3/2—70 (new) and lower division clerks getting (1) Rs. 35—2—65 (old), Rs. 30—3/2—45—2/2—55 (new), (2) Rs. 35—2—55 (old), Rs. 30—4/2—50 (new), they may be absorbed in the 1st and 2nd Division scales of pay obtaining in the State. Similarly, the pay of inferior staff comprising of mutchis, daffedars, head peons, gollars, peons, masalchis, sweepers, etc., being uniform in all the offices, *i.e.*, Rs. 20—1/5—25 (old) Rs. 19—½—24 (new) and Rs. 18, Rs. 18, Rs. 17, Rs. 15 (new), they may be absorbed in the corresponding scales of pay applicable to inferior staff in the State. It is also recommended that wholetime inferior servants paid from contingencies who are in receipt of a pay of Rs. 17 and Rs. 15 may be given the pay of daffedars and peons. In the case of lower division clerks whose pay starts on Rs. 30 and who are getting Rs. 10 as personal pay to raise their pay to Rs. 40, the personal pay may be treated as regular pay for purposes of fixation of initial pay in the revised scales. Process writers, record attenders and typist-copyists may be fitted into the scale of Rs. 25—1—40 as 3rd grade clerks.

ORDER THEREON No. 3570-71—C.B. 217-48-1, DATED BANGALORE, THE 25TH NOVEMBER 1948.

Government are pleased to approve of the above proposals and to direct that they be given effect to from 1st December 1948.

2. Special cases of ministerial, executive and technical personnel which present special features and which cannot be dealt with according to the approved general principles are dealt with in the schedule attached to this Government Order.

3. In the case of employees working in temporary departments such as Food, Civil Supplies and Rent Control, etc., they will be entitled to the pay scales sanctioned above as long as the temporary departments continue and if any temporary department is wound up, the permanent employees will revert to their substantive posts, and the temporary employees will be discharged.
